

Young Professionals Society (YPS) Registration Form

What is YPS?

Young Professionals Society (YPS) is a FREE organization within the American Society of Travel Agents (ASTA). YPS is exclusively for individuals in the travel industry aged 40 or younger, who want to network and communicate with a group of peers experiencing the same issues on a daily basis. YPS has special events at all of ASTA's conferences that include receptions, speakers and seminars.

What are the requirements?

Applicants must be a member of ASTA aged 40 or younger in order to qualify for participation in YPS. Employees of ASTA Premium Member Agencies are also eligible to join.

How will YPS benefit me?

The objective of YPS is to create a forum for young travel professionals to network with each other. Being a part of this group will enable you to establish strong business contacts in the travel industry where you can relate to others who are going through the same issues you are as a young professional.
